The Wilderness Within 

# the wilderness WITHIN

Immersing ourselves in the wilderness brings us wonder, joy, and peace.  
With practice, we can also **discover these qualities within ourselves**  
- our own **Inner Wilderness**.

Join **Buddhist Nun Ani Tsondru** and **Wilderness Guide Roy Ashton** for a unique 5-day Wilderness Trail in Umfolozi Game Reserve, as we explore the meeting place of outer and inner worlds through wilderness camping and meditation.

We will walk and live in the breathtaking wilderness beside the Umfolozi River, home of elephants, rhinos, and other amazing animals, attuning ourselves to the rhythms of nature, cooking around a fire, walking on animal trails, sleeping under the stars.

As the wilderness works its magic on us, Ani Tsondru will share **The Work That Reconnects**, helping us reconnect with our own truest nature. Guided meditations will offer us tools that empower us to bring back home the peace and joy we discover in nature, and to live them every day.
